2) Primary Means of Communication and Expectations

1. All members will be expected to check their emails, slack, etc. from anyone in the group on a daily basis and respond as soon as possible.
2. We promise to be active in terms of responding and reacting to messages from any team member.
3. Be on time for meetings and deadlines, and notify if you cannot attend the meetings.

3) Schedule Meetings

1. Have weekly meetings on Wednesdays from 7 pm to 8 pm.
2. Each member is encouraged to attend all meetings whether it is in person or remote.
3. If unable to attend meeting take initiative to catch up.

4) General Responsibilities for All Team Members

1. Be respectful and inclusive of others.
2. Be transparent with what you do or any concerns or mistakes.
3. Be responsible for project deadlines.

5) Conflict Resolution

1. First try to resolve it between the two parties themselves.
2. If unable to resolve, consult with the team leads
3. If the problem persists after one and two, reach out to the professor and staff.

6) Expectations of Faculty and GTA's

If a team member fails to live up to this agreement, the situation may be reported to the staff, but the team will still be responsible for submitting a completed assignment. Staff will be available to meet with teams to resolve issues.

7) Team Signatures

Zach
